KNUST commercial area ,as the name tells,is a really nice place for all commercial activities. The place is neatly kept. There's all you can think of available:mall,banks,mini markets, barbering shops,post office, filling station and a whole lot more.

Nice, lovely, clean accessible and has multiple offices that one can use to your advantage. MTN office, KNUST post office, banks, Malls etc are all present. Most of all, as a student, there is this commercial shuttle for all.
